

**Lisa's Natural Path Consent Form**

**Naturopathic Doctors (ND's) are not Medical Doctors (MD's).**

**I understand that I should continue to see any medical doctors I am currently under the care of, and that any prescription medication should not be altered without first consulting the Doctor who recommended it.**

**ND's are trained specialists who use non-invasive natural medicine, such as vitamins, minerals,, herbs and dietary changes to create a healthy environment in the body.**

**Your visit today is based on the belief that the body has a natural ability to heal itself, if given an appropriate internal and external healing environment.**

**Nothing said, done, typed, printed or reproduced by us is intended to diagnose, prescribe, treat or take the place of a licensed physician**

**Signs of physical, mental, supplemental deficiency or dietary stressors may be identified today. Information about traditional uses of supplementation that may create a healthy balance in the body may be discussed. This is not intended to be interpreted as a substitute for a licensed physicians treatment.**

**I am not on this visit or any subsequent visit acting as an agent for the federal state county,local agencies or news media on a mission of entrapment or investigation.**

**I have read and discussed the above information and agree with it completely.**
