From the desk of Dr. Lisa

Hi Everyone,

I want to thank everyone from the bottom of my heart for all the Beautiful Cards, Prayers, Flowers, Food, & Gifts this past month when I had to let my dear sweet Mother, Ruth Engertha Otterson-Andersen join our lord in heaven at the age of 97 years old. She wasn't sick but, her body was just tired and she just went peaceably in her sleep which I am blessed to know but, it was still very difficult to let her go as she was the Wind Beneath My Wings and my biggest fan and I hers. She was an Airline stewardess, Social worker, Ywca Program director, French , Astronomy, World cultures, & English Teacher at Butler High and Slippery Rock High Schools, Church elder, Sunday school teacher, and Granger master. She could play the guitar and piano by ear with no notes, she could paint beautiful scenery, and sing like an angel. She raised me alone and it wasn't easy raising this headstrong Viking baby but, we had a wonderful life together and I was blessed to have her for so many years. My comfort is knowing she is in heaven playing her piano and guitar for the lord and the angels and that I will see her again someday. She was the most amazing, loving, giving, unselfish, godly and talented person I ever knew and I pray and strive by her example, to be like her more and more each day.

God Bless,
Dr. Lisa
